

Thank you all for making our 34th year a success

Once again, when it was needed the most, when the cry for help went out, you continue to answer, helping the **Empty Stocking Fund**, in our 34th year.

We would like to say a special "Thank You" for your help making the **Empty Stocking Fund for 2024** a success. Because of you, we raised \$90,450 to help **294 families** with **674 children** have a very happy holiday. In addition we assisted **99 seniors** who might not have had a happy holiday if not for your generosity.

Neighbors helping neighbors, that's what it's all about...and no one does it better than you.

Whether it was a monetary donation or the donation of new toys or clothing, every effort and

donation was greatly appreciated by the **Empty Stocking family** and those we help.

We cannot thank you enough for your continued support.

And, if not for all of our unpaid volunteers, this couldn't have been accomplished. Your hard work and dedication to the **Empty Stocking Fund** makes it all possible. Your help with sorting, unpacking pallets, picking up toys at collection sites and filling the toy orders and help with family pickup are just a few of the many tasks that were done by so many. We know the children and families appreciated all your thoughtfulness on Christmas morning!

Please visit our website at

www.EmptyStockingHC.org and **facebook** page regularly for upcoming fundraisers for 2025 or contact us at socialmedia@EmptyStockingHC.org well as a list of all our toy drop locations.

Thank you again,
the **Empty Stocking family.**
(Everyone at Empty Stocking is an unpaid volunteer)
